

EXTENDED CARE BEDS

We proudly make all of our beds in the USA to the highest safety standards.⁶

- **FDA Recognized Standard:** ANSI/AAMI STD ES60601-1
- **Health Canada Recognized Standard:** CAN/CSA C22.2 No. 60601-1 (IEC 60601-1:2012-Edition 3.1)
- **Includes International Standards:** IEC 60601-1, IEC 60601-1-2, IEC 60601-2-52

All Basic American Extended Care Beds Are

- Certified transport device - passes threshold clearance at ALL heights - ideal for evacuation
- Silver Solutions powder-coating provides antimicrobial surface protection and deters the growth of odor-causing bacteria
- No holes on top surface of tubes that could harbor fluids/bacteria
- Grounded bed with right-angle hospital grade plug for safety
- Adjustable Wallsaver protects the wall with smallest footprint
- Patented Hi-Lo mechanism adds life to the motors
- Sturdy, no-sag, grid sleep surface with cross braces
- Bed provides 360 mobility for cleaning, etc.
- Proudly Made in the USA
- Assist devices available
- Tool-less assembly

Optional
Zenith 7200
Pendant Shown

Adjustable Wallsaver

- Maximum wall protection
- Adjustable clearance lengths
- Standard on all beds

Mattress Retainers

- Adjustable for multiple mattress lengths
- Standard on all beds

Zenith & Matrix Series Bed Standard Features

- Advanced Positioning System (APS) includes One-Button Comfort/Cardiac Chair Position (optional on Matrix 7200).
- Straight-Line Hi-Lo Travel with Patent-Awarded Design Technology
- 'Plug and Play' Digital Electronics enable future feature additions
- Smart Technology
- Industry-leading, energy-saving electronics consume up to 66% less power than transformer electronics when idle
- Sealed ball bearings joints provide continuous, maintenance-free, silent operation
- Intuitive two-pedal locking system - centrally located, easily visible and accessible at all heights and widths
- Tool-less assembly

Zenith & Matrix Series Bed Configurations

- Embedded staff control with safety-inspired, two-stage lockouts enabling caregivers to lock-out features to the resident
- Standard or Advanced Positioning System (APS)
- APS Staff Controls are optional. (APS Staff Control includes One-Button Comfort/Cardiac Chair and Trendelenburg/Reverse Trendelenburg Positions)
- Hand Pendant to control Trendelenburg/Reverse Trendelenburg (*sold separately*)

- Bed rolls at any height increasing caregiver safety
- Readily accessible at ALL bed widths and heights (even lowest)
- Select Option at time of purchase

Zenith

Zenith Series Standard Features

- With US Patent awarded time-saver Hi-Lo system
- Tall, Tubular Securely Mounted Head and Footboards create a built-in push bar and reduce breakage

Zenith 9200 SERIES

9200 WITH APS SHOWN WITH
Slide·W·I·D·E® deck option

Zenith 7200 SERIES

7200 & 7200 WITH APS

OPTIONAL WITH THE ZENITH SERIES *Slide·W·I·D·E®* EXPANDABLE/RETRACTABLE SLEEP DECK

Quick-release
ball-detent pins
attached to beds
with lanyards

Wider sleep surfaces reduce falls by residents accustomed to sleeping on common consumer products.²

- Patented design allows for quick adjustment, ideal for moving through doorways to assist in **emergency** evacuations
- Expandable/retractable deck quickly and easily adjusts to 35, 39, or 42 inches with two quick-release ball-detent pins on each side.
- Wide head and footboards available in 42 inch width
- All pins are attached to the bed with lanyards, eliminating lost parts
- Rails and assist devices are also quick-release without tools

² Fragala G, Perry B, Fragala M. Examining bed width as a contributor to risk of falls from bed in long term care. *Annals of Long-Term Care: Clinical Care and Aging*. 2012; 20(6):35-38

Matrix 6200 APS SHOWN
with intuitive pedal-lock option
Raised Head Position

Matrix

Matrix Series Standard Features

- Advanced Positioning System (APS) includes One-Button Comfort/Cardiac Chair Position (optional on Zenith 7200).
- Straight-Line Hi-Lo Travel with Patent-Awarded Design Technology

Matrix 6200 SERIES 6200 WITH APS

Advanced Positioning System (APS)

Advanced positioning allows the bed to go into numerous positions

- Positively influencing clinically driven outcomes through multiple positioning options
- Accommodating post-surgical rehab positioning to facilitate resident comfort
- Reduces caregiver strain and potential injuries versus manually repositioning residents
- Built-In Hi-Lo Lockout Feature (on APS Hand Controls)

Counter-Rotating Assist Device

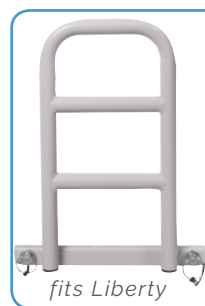

Patented Counter-Rotating Assist in Lowered Position

Raised Position

Provide a sturdy and secure hand hold to assist residents in and out of bed yet easily swivels out of the way when desired.

- Meet FDA Entrapment Guidelines
- Patented Counter-Rotating Assist Devices
- Removable without tools
- Move out of the way for lateral transfers
- Pivot away from egress area
- Provide toe clearance in lowest position to prevent staff injury
- Hand pendant mounts facing inward or outward and away from hand grab area

fits Liberty

fits Matrix & Zenith

Pivot Assist Bars

Pivot Assist Device — Rotated Down, Foot

Pivot Assist Device — Up-Right Position

Pivot Assist Device — Rotated Down, Head

Fixed Assist Devices

Provide a sturdy and secure hand hold to assist residents in and out of bed.

- Move out of the way for lateral transfers
- Tool-free assembly and removal

Bed Cart

- Ideal for ease of storage.
- Bed cart allows beds to fit through narrow doorways.
- Designed for One-Person Mounting and maneuverability
- Works with all beds

Side Wall Bumper

- Maximum wall protection
- Works with all Zenith and Matrix Beds

Advanced Positioning Pendant

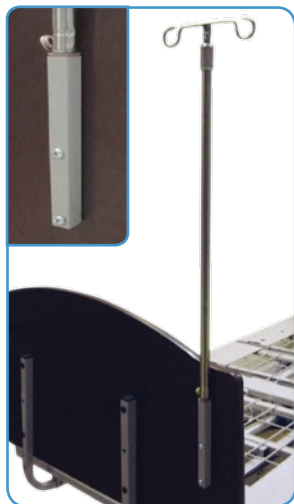

- Upgrade from Standard to APS on Zenith 7200
- One-Button Comfort/Cardiac Chair Position
- Hi-Lo Lockout Feature

USB Power Supply

- Charges most devices
- Works with all beds

Board Mounted IV Socket

- Mounts with 2 screws
- Easy to install
- IV pole sold separately
- Works with all beds

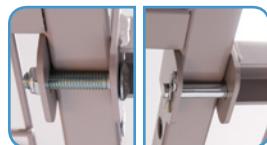

Plastic Pan Deck Kit

- Fits 6200, 7200, 9200 Series

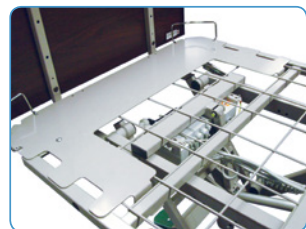

Edema Foot Ratchet Kit

- Elevated foot rest.
- Standard on Zenith 9200
- Optional on Matrix 6200 and Zenith 7200

Surface Length Extension Kit

- Extends standard length bed frame from 84" to 88". Complete with solid pan extension, mattress guard, and installation hardware.
- Works with all beds
- Easy to install

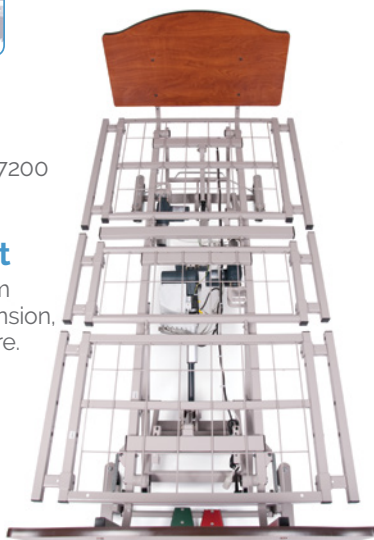

UnderBed Light

- Reduces fall risks
- Eliminates bright light intrusion
- Multi-level light intensity
- Works with all beds

Pin-on Wide Kit

- Fits 35 inch width 6200, 7200, 9200
- Available in 39" or 42" width kits
- Anytime add-on
